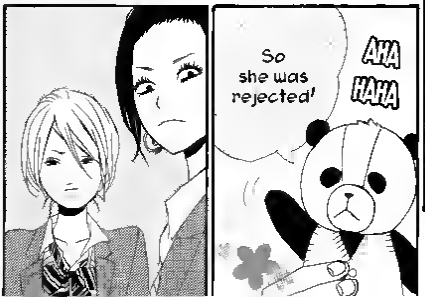
But it was left at that!



So she was rejected!
AHA HAHA

But I already know that it's going to end badly.
THAT is true.
She's right. You shouldn't stress till you know, right?
Then isn't it better to see what he says first?
Not really.
Then just leave it as "been rejected."
You have to be positive when it comes to love.
You can't give up before you've heard his answer!!
Then leave it to us!
You guys should—

IMPORTANT NOTE:

First off, thank you everyone for your support and for reading Yumemiru Taiyou! It means a lot to us. :) I apologize for the delay in releases, there is a reason for that. *ahem* Lebdewho, our translator and scanner for the series has...a JOB. Yes, a job. You've heard of those. I'm still wondering when I'll get one. -_-

As a result, releases have been a bit slower and fewer.

However, after discussing it, we decided that we will have her scan YT and just recruit another translator. Point of this message? If you wish to read more releases, we will need to hire a new Japanese to English translator for this series! We plan on bi-monthly releases, so I won't be nagging you too much.

The point of my point is, until we get a new translator, there will be no new releases (?). Probably. I'm kind of lazy anyway *cough*.

So please apply if you're interested in this position!

Seriously, I want to see more Taiyou. Yum. ♡

Anyways, thanks again, blah blah.

PEACE!

Your favorite hobo, IZIRAE

DREAMIN' SUN
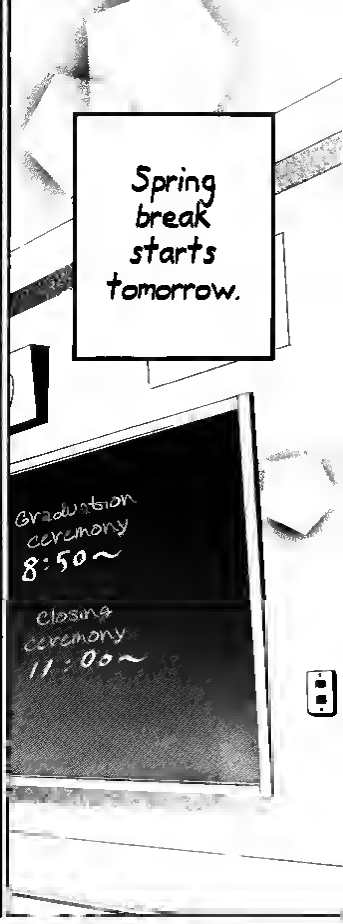
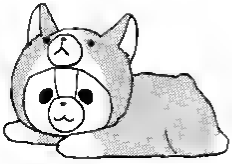
22ND DOOR
YUMEMIRU TAIYOU

Let's hang out during spring break guys!
And so ends our first year in high school!
And it's been five months,



Spring break starts tomorrow.
Graduation ceremony 8:50~
Closing ceremony 11:00~

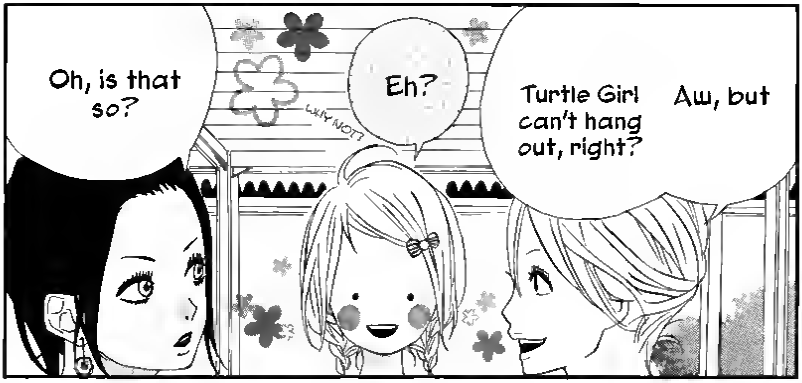


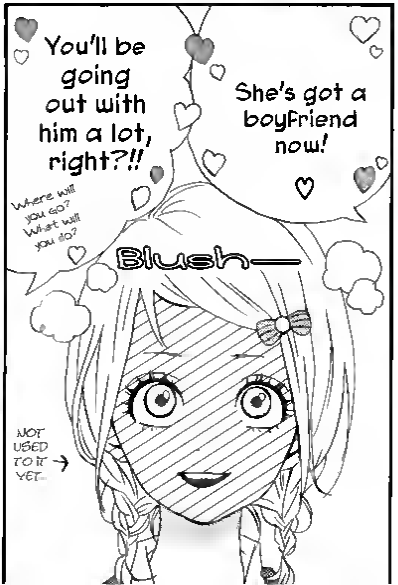
A lot has happened there.

But,

And it's been like home, in a sense.

Since I started living in that house.



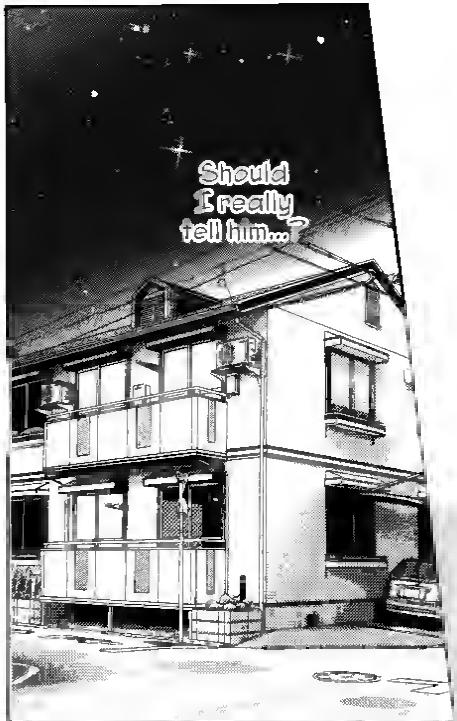


I mean,
Zen lives there too!
POINT
Turn
.....
Huh?
He's quiet...
??
MUTTER
MUTTER

He usually butts in and everything
Maybe I've said too much...
Oh no...
.....
Ms. Kameko.

About Fujiwara...
!!
I'm sorry but,
before the start of spring break, there's something I need to say
Just tell me your name already
Run again...!?
Should I run?!
Again?!
SA-PUMP
..Huh?
Please tell him I said, "I'm sorry."

I understand,
I'll tell him.
She says...
That's it.
This...
Um...
Is that it...?
Yes.
Turtle Girl! We're leaving!
I thought she would say something else...
Okay.
So,
What did she say?
Nothing, really.



What's she "sorry" about?

Must have a deeper meaning, I guess.

And that's what you chose?
You're actually going to like Shimana?
Yeah.
Yeah.
Raw. Are you getting coffee?
Oh? That so? You calling
HEHE
No fighting
But what's the best way to start liking her?
HOW SHOULD I KNOW?

Like lovers?
Like...
First, what if you started acting like lovers?
Well, I started to really like Ken because we went out.
GOING ON DATES,
HOLDING HANDS,
AND HUGGING,
and kissing. ♡
NOT HAPPENING.

I mean, what if that message really means something...
Would it be wrong if I didn't?
She told me to tell him but,
What should I do?
The landlord's back.
But..
If I don't tell him,
I'll be a bad person.
?
Welcome back.
.....
AND THEY START GET-TING ALONG AGAIN...!
I'm home.
PAT
GAAAH

And then
He wouldn't be able to like me at all.
Mr. landlord!
?
Mrs. Nakagawa.
!
I have a message from that teacher...
That teacher?
You know her...right?
I do, but...
Nakagawa...?

She told me to tell you
"I'm sorry"
That's all...?
Yeah...
That's all.
...
Scrape
"I see"?
I see.

Looks like he's thinking about it...
Really?
He doesn't know?
.....
But...
Who knows? I don't.
What does the sorry mean?
What is he thinking about it...?

Zen,
I need to talk to you about something.
Got time?
I DON'T.
Know if anybody got the mail?
Probably not.
Then I'll go see.
Ah, sorry!
You're always getting it
Just come, idiot!
Forgive me!
?

Marari Nagahama

KNOCK KNOCK
Shimana.
What is it?
Get something warm to wear and come on
WHY?
LOOKS HERE

Let's go see the city lights from the park.
OKAY!
PFFT
Is this a date?!
This is our first date!
It's close and
I've been before.
But—
Ah!!
A monster!

KYAAAAA
NO
GET AWAY
AWAY!
AHA-HAHA
That was great!
YOU'RE CRUEL!
WHAT'LL YOU DO WHEN THEY REALLY COME~
THAT OLD MAN TOO!
The one from before?
It's alright.
I'm right here.

Dating wouldn't be what we anticipated.
But
It's more than that.
I was worried that
It's great.
Yeah...
So...
You going to call me "landlord" forever?
...

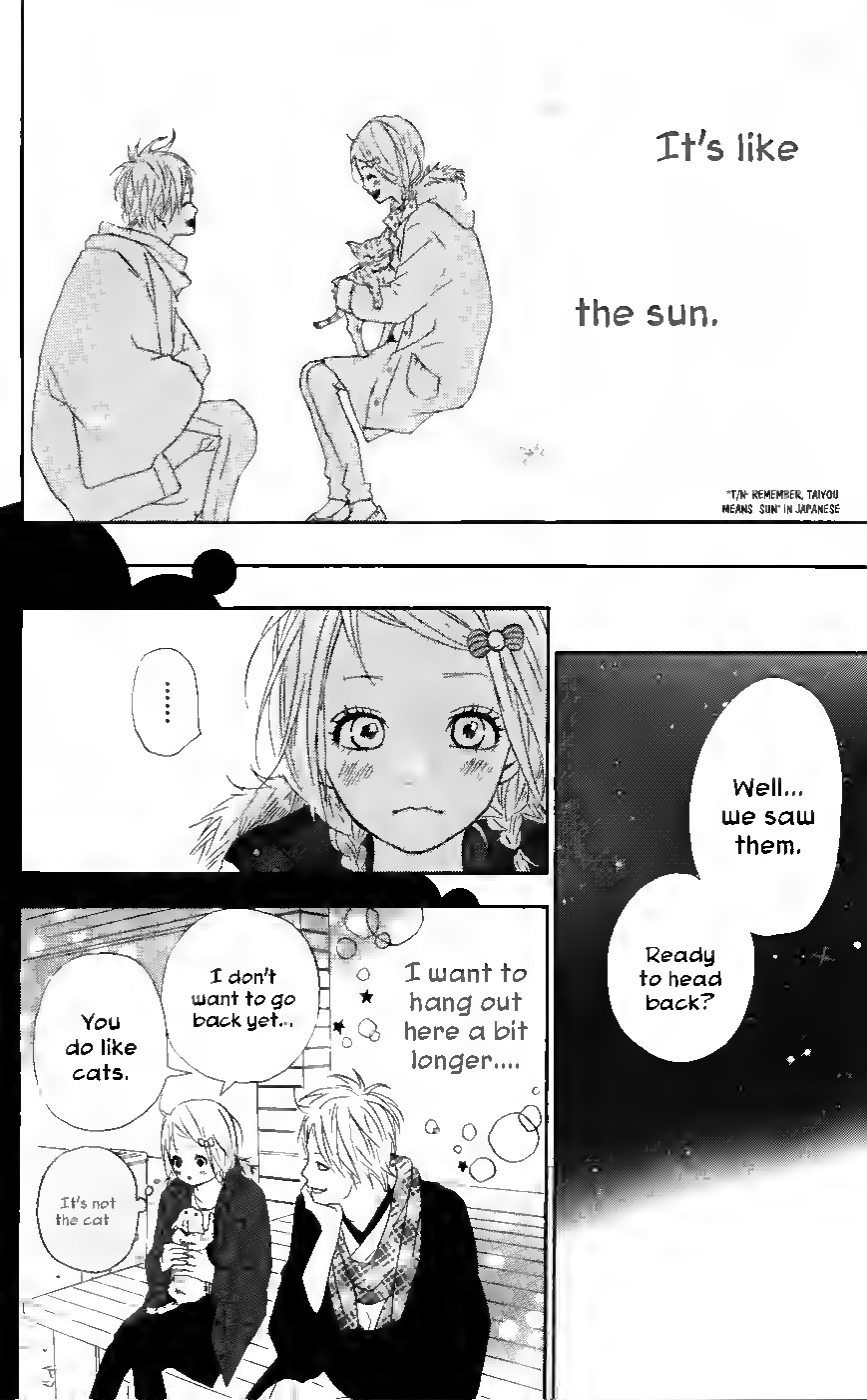
...Then what should I call you?
"Taiyou"?
NEVER.
Taiyou's just Fine.
Only if you want me to hurt you.
Eh? Why not?
I hate my name.
People always say it doesn't suit me.
That's not Fair.
I hate my name too, but you still call me by it.
...But
Shimana is a cute name.

Aren't you the kitten I saw earlier?!
MEOW
Kitty!
MEOW
GHA!
Ah!
It's a kitty!
MEOW
*T/N: TAIGA ACTUALLY USES A VERY CHILDISH WORD FOR CAT
Try holding him.
You don't?
YOU... LIKE CATS?

I CAN'T!
I'LL DROP IT.
It's alright,
He's a nice cat.
WAIT!
I CAN'T!
Will...he bite me?
He won't bite you.
PAT PAT
PUR PUR
MEOW

He's so cute!
I know, right?

I...
really love it when he smiles.
Awww, he likes you!
Ah! He's going for my neck!
HAHA
That's so cute!
I gotta take a picture!
It's so warm...
It looks just like
Asahi's smile.



It's like
the sun.
*T/N: REMEMBER, TAIYOU MEANS "SUN" IN JAPANESE
.....
Well... we saw them.
Ready to head back?
I want to hang out here a bit longer....
I don't want to go back yet...
You do like cats.
It's not the cat

What's your type, Mr. Landlord?
.....
Small, fluffy, and has white feet.
Not cats!
Women!
...I don't really have a type.
Really?
Yeah. I don't like them, so...
Then why was he with that teacher...?
I don't really wanna know, but...
If you had one,
maybe it was a wrong one.

*NOTE: MEANING LIKE IN A ROMANTIC SENSE
.....
You don't have to do anything.
I know that I want to like you like that
All of that stuff doesn't matter.
It's okay.
I'm trying to make it work.
So I want to make it work.
I'm still a little anxious about it...
But... until you do like me like that,

So I need you to see that I am.

!?
MEOW
.....

.....
JERK
Sorry, but...
I can't yet,
Not this time...
That...
"Not this time."

What was that...

What was that?
Eh! Wait for me!
I need to get a cigarette!
THE HOUSE ISN'T THAT WAY!
It was a happy
embar-rassing,
and strange feeling!
If the landlord started to like me,
MY HEART WON'T STOP POUNDING!
I...

Patrolling.
Miura... What are you doing here?
Looks like that crazy old guy isn't out.
It's that cop..
Oh.
Would die of happiness!
It's weird.
Why are you hanging out with a high-schooler?
Ha?!
Don't just stand there.
With that face.
JUMP
Good evening, miss.
Good evening...

Yeah,
Later.
If you need me again,
Just call the station.
Oh well. I have to head out for a meeting.

DREAMIN' SUN

Hey,
Dad?
BON
Yeah. I'll be home tonight
STUFF
STUFF
Alright
I'll call you when I leave
HUFF

I'm
heading home now.

You're going home already?
And don't you have too much stuff?

Asahi, you have to stay,
you have house work to do.
I'm not your mother.
EH.
ME TOO!
Oh, I'm heading home today too.
From New York this week.
Manami's coming back
I'm going to see her.

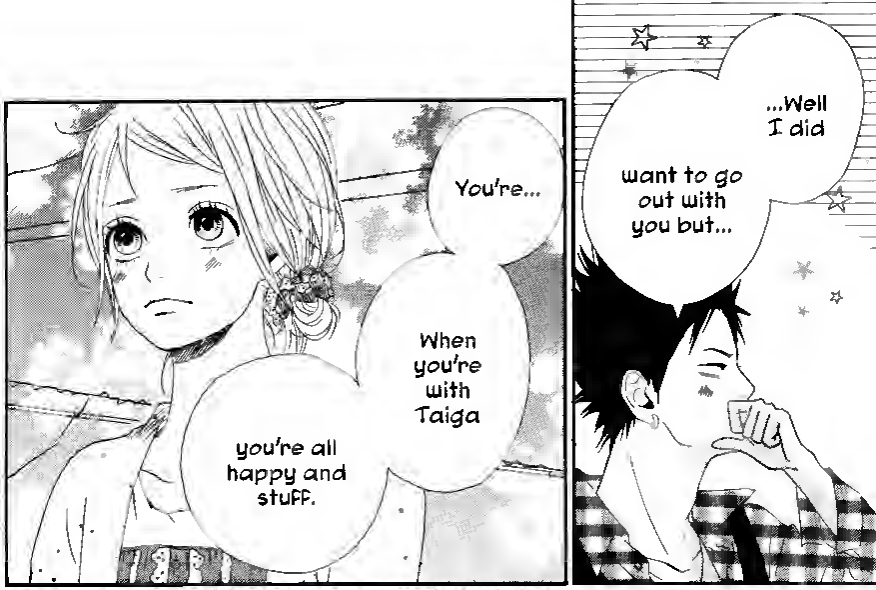
Shimana, Got a minute?
Those two being together is so great!
Hee hee
That's right. She's coming back.
Asahi looks so happy!
...
But, Aren't you coming back after Spring Break?
Well... Don't know really.
Don't you have too much stuff, Zen?
Just when ARE you coming back?

...Don't know. Haven't decided yet.
.....
...Zen doesn't look happy...
Um, well...
I've gotten over you.

Yesterday, when Taiga said he wanted to talk to me about something
He asked me, "Why are you so quiet"?
He said, "If it hurts you then *do* something".
He was only trying to provoke me
Like Ken would but...

Even as he said that,
I never thought that.
...But,
Even at that point,
I never wanted that.
I was impatient, but never anxious
And I never once thought about messing you guys up.

So I've...
Finally gotten over you,
Shimana.



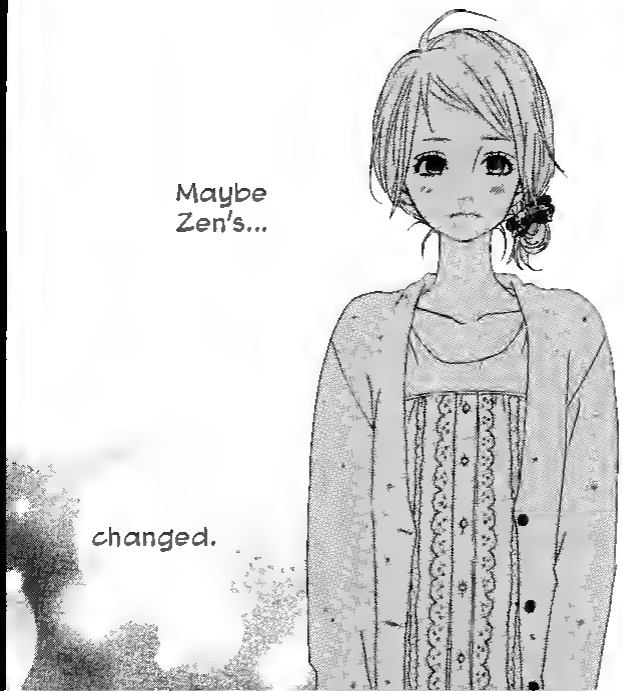
*T/N: Zen actually says, "Bad stuff is bad stuff." This was a close to a real English saying as I could get.

I'm sorry for everything.
.....
Why did he give up...
I'm not worried or anything.
Since it's Taiga, he'll treat you well.
Well..
I'm heading home.
He told me he wouldn't give up on me.
See ya.

Zen,
Show–
Show me the comic when you finish!

WHO WOULD SHOW YOU!
IDIOT!!
BEEEEE
TAP

just wanted to see him a little
but now it's like he's a thousand miles away from me...
That's the feeling I get.



He always just been...Zen.
Maybe Zen's...
changed.

He became

an adult

before me.

You're busy
Take care of yourself.
I will.
Just this afternoon.
You off today?
Is she?
Oh, Manami's coming back next week.
Speaking of, how's it going?
With her Dad's trial?

...Bad, Asahi.
I've been stalling till now, but...
they've already...
made a ruling.
...What?
What do you mean? He's not appealing?
.....
Mr. Nagahama said
he wanted to get the trial over with.

Manami said
living with the VP's son.
Probably in New York
... Then Manami's ...
that there was no need to appeal.
That she wanted it to be over.

Manami said that...?

GIVE IT!!

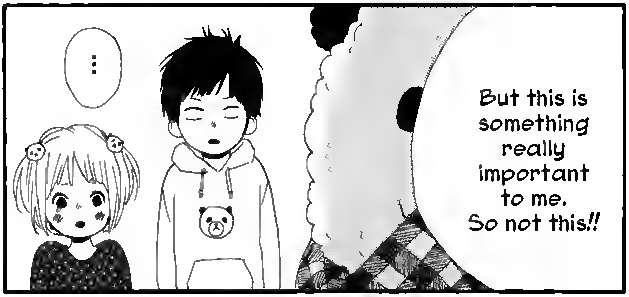
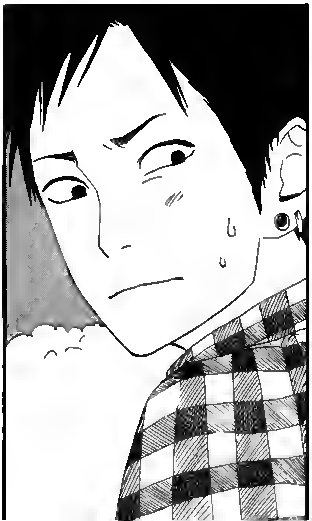
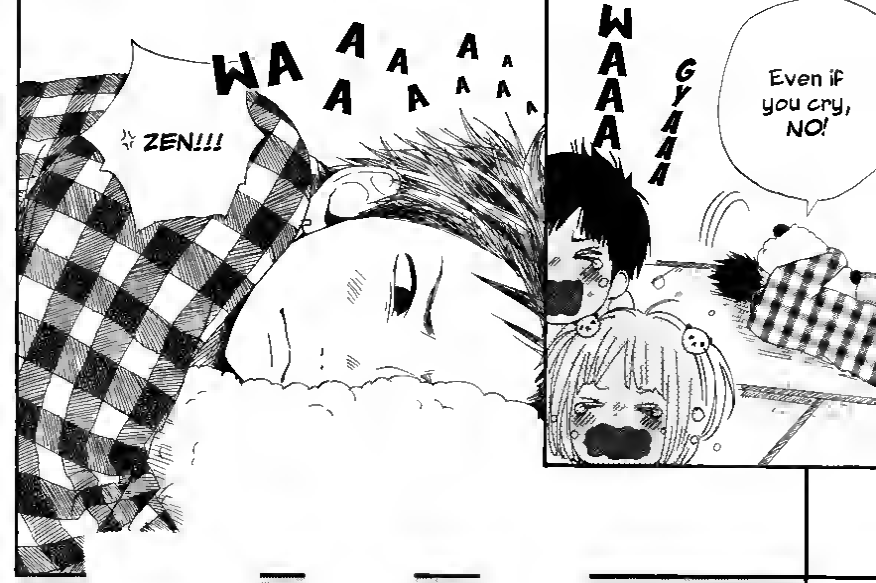
WHAT WAS THAT?!
EEK!



...
But this is something really important to me. So not this!!



WAAAA
WAAAA



Before today

if the Landlord

couldn't have come to like me,

Would I have done what Zen did?

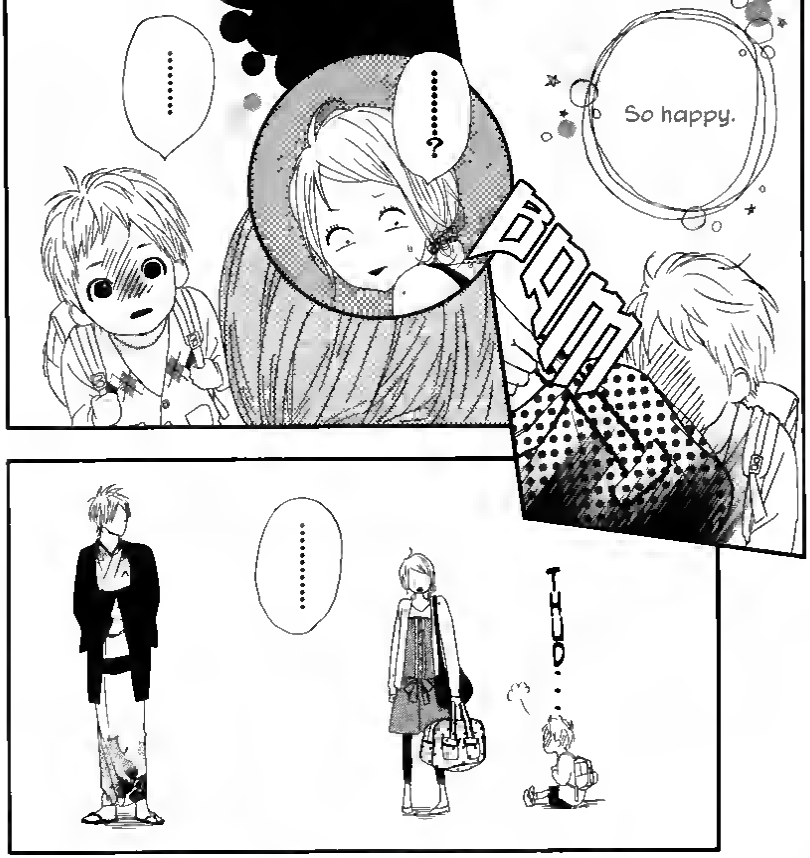
...If

people's hearts were so quick to move on...

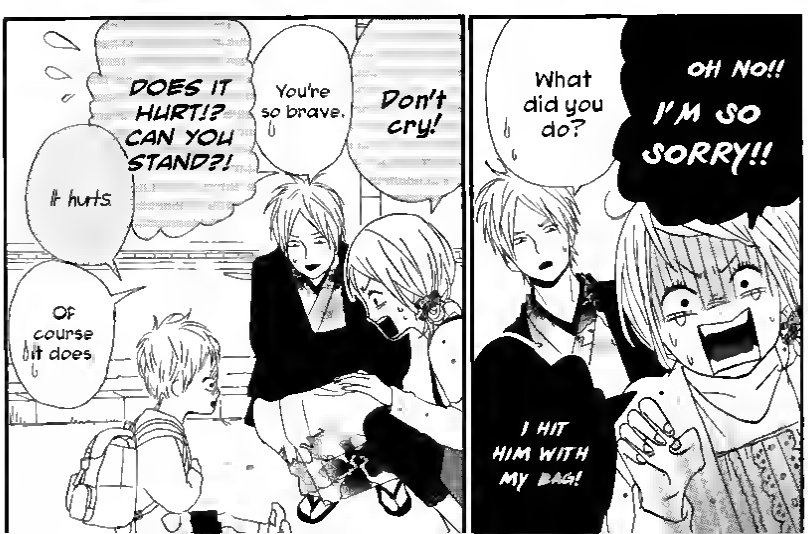
would that be better...?

You wanna come in?
My Dad's home too.
Thanks for walking with me,
and for my bags.
No problem
.....
I'll probably get a little angry at your Dad.
Eh.
Oh. Don't say that!
With this and that!

When I can say it for real,
I'll come and talk to him.
When he can say it for real...
I'm heading back now.
Now, be good!!
That makes me happy!
Okay. Bye bye!



.....
.....?
So happy.
BAM
.....
THUD...



DOES IT HURT!? CAN YOU STAND?!
You're so brave.
Don't cry!
It hurts
Of course it does
What did you do?
OH NO!! I'M SO SORRY!!
I HIT HIM WITH MY BAG!

And how old are you?
I'm 3.
Three, huh?
I see. And what are you doing out here?
Running away.
WHAT?!
This again?
You can't stay with me.
Where's your Mom and Dad?
Where do you live?
Let's go get Miura.
At the station ...?
Yeah.

GULP

Are you thirsty?
Juice!
Juice!

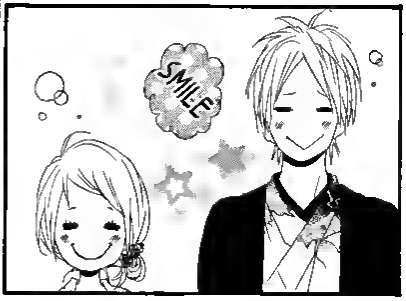
But we need to go...
Juice!

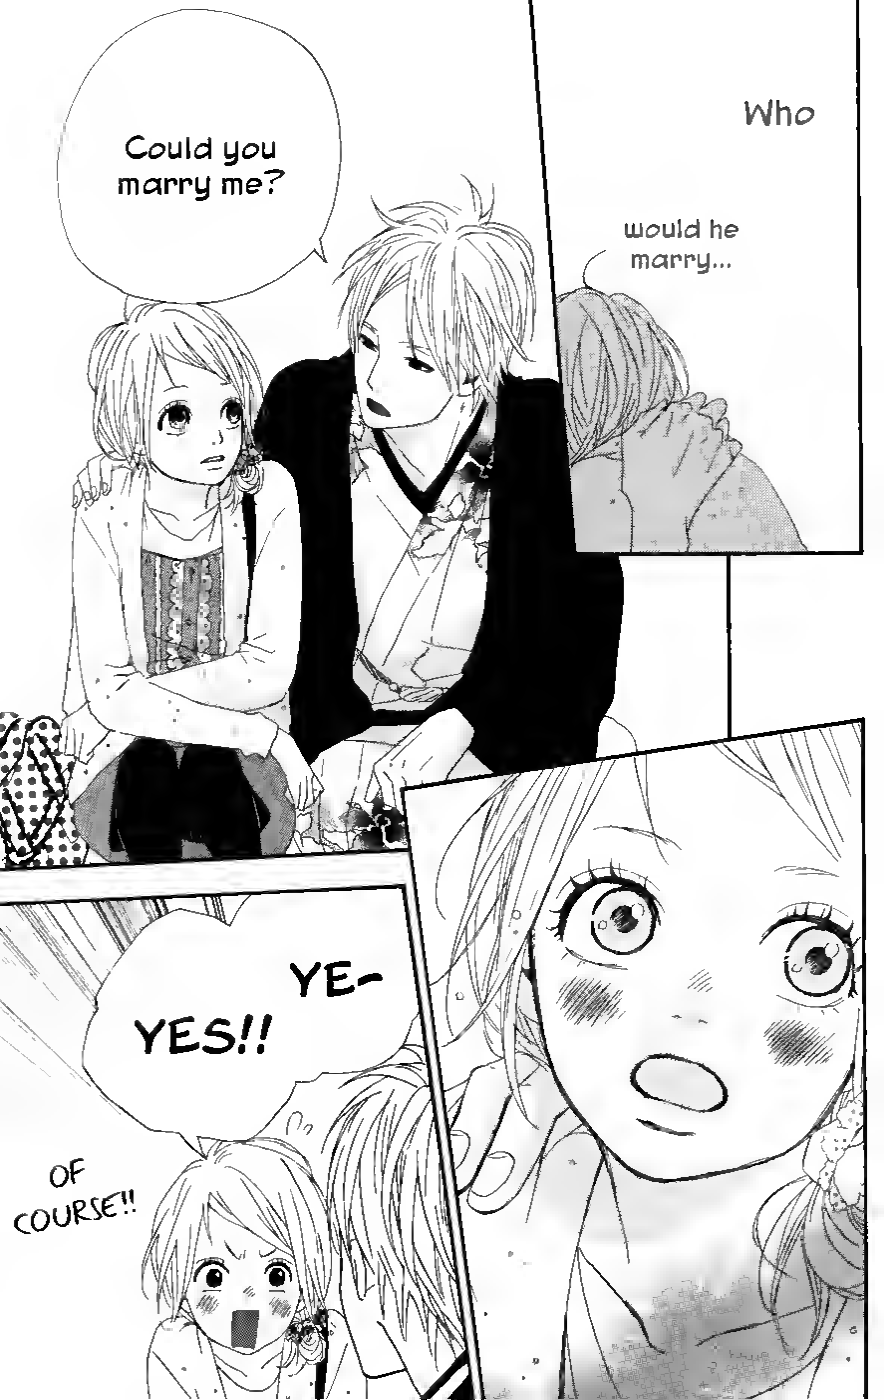
KIDS ARE SO GREAT!
If your parents don't come, you can come home with me!
He's not a pet.
ROLL
ROLL
But he's so cute!

Ahhh



SMILE

...And with who....
I wonder when I'll have kids
.....
Does he mean marriage...?
...He has to...
I guess he wants to get married too
..But
No way..
the "Who"
...it can't be me..
No way..
I don't even know when he'll start liking me..



Could you marry me?
Who would he marry...
YE-
YES!!
OF COURSE!!

LET'S GET MARRIED!!
Your face!
HA HA
That's a good dream
...It would be just like a dream
I would work so hard for that dream!
Fujiwara?

.....
Why is she here?
..Eh
..that teacher?
AH!!
Mommy!!

You have a kid?
...Yeah.
...I know that there's no way

For people's feelings to change that quickly.
It would be great
to be able
to control our feelings.
If we could
We wouldn't have unrequited love...

And never exceed our thoughts
and be clear when love can't happen.

The extra chapter comes between Chapter 20 and Chapter 21.
I want to see what you think about that old man.
You don't have to read it if you don't want to.
But if you can, please read it then!

Translator Note

Hey everybody, Lebda here and I just wanted to ask your forgiveness for the late chapter this month.

I was awoken at 6am on March 11th with the horrible news about the earthquake and tsunami in Northern Japan. In the part of Japan that I lived in. I lived in Sendaim Miyagi for 3 years, in fact, I was living there when we first started scanlating Yume Miru Taiyou. I have friends who lost their houses, I've been to Ishinomaki, Matsushima and all the beautiful cities that now lay in ruin along the coast line. Their beauty lost forever.

Please donate to relief efforts. If you need good ones, Japan Red Cross and Second Harvest Japan are a few great programs rushing to get aid to these people. Please donate $10 for these people.
